### Condolence

Brother, Ali Nasser Mohammed, Secretary General of the Central Committee of the Yemeni Socialist Party, Chairman of Supreme People's Council (legal leadership), sent condolence to the deceased historian's family, Sultan Nagi as followed:

With deep regret and sadness, we have received the death notice of brother, Sultan Nagi in the wake of painful disease while he was performing his duty in the British capital, London.

Our Yemeni people have known that the deceased was one of remarkable and outstanding historians who devoted themselves for the sake of prompt knowledge to the history of our Yemeni people in the North and the South. He effectively participated in searching and documenting for unknown faces in the civilization of the Yemeni People. The deceased has some transmitted and memorable historical works which will be a treasure of our national history.

We ask God to have mercy and encompass him with His grace and inspire his family patience and solace and rest the deceased in peace.
